

## IPF

### LEADING EUROPEAN BANK SELECTS IPF

Following a highly competitive selection process, a top tier European bank has selected IPF, Icon's low-code, cloud-native payments platform.

### WINNER OF 3 INDUSTRY AWARDS

Winner of 2 IBS Intelligence awards for IPF: 'Best Payment Hub/ Wholesale Payments Implementation' and 'Most Effective DevOps Execution: Most Innovative Project', alongside the 'PayTech for Good' award recognising our charitable work.

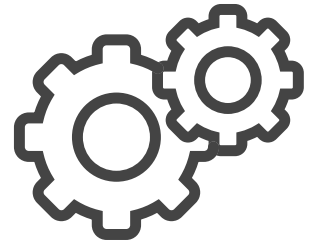

### SUCCESS STORY AT TOP UK BANK

This year Icon extended its partnership with a key strategic client, growing our team from 1 to 24 consultants over the last year across multiple functions and projects.

### 100+ CONSULTANTS WORKING ON CLIENT ENGAGEMENTS

This year we hit the huge milestone of having 100+ consultants working across client engagements in banking, payments, anti-financial crime and technology.

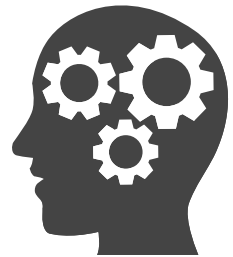

### 100+ NEW HIRES

In 2021 Icon was pleased to hire 107 people across our product and services teams.

### HAVERSTOCK SCHOOL PARTNERSHIP

Established a partnership with Haverstock School where we have been welcoming sixth form students into our office to introduce them to the various roles available to them in the field of IT.

### NEW SERVICES DIRECTOR APPOINTED

With the appointment of Simon Barrows we have created a new services structure and grown our payments Centre of Excellence to more than 25 field experts.

### £93,200 DONATED TO CHARITY

Icon supports multiple charities and initiatives, many of which we have long-standing relationships with and have become exceptionally close to our hearts.
